

APPORTIONMENT of the **RENT-CHARGE** in lieu of **TITHES** in the Hamlet _____ of Coniston in the Parish of Burnosol in the West Riding of the County of York

Whereas **AN AWARD** of RENT-CHARGE in lieu of TITHES in the Hamlet _____ of Coniston in the Parish of Burnosol in the West Riding of the County of York _____ was, on the *twenty eighth* Day of *December* in the Year One Thousand Eight Hundred and Forty *eight* _____, confirmed by the Tithe Commissioners for England and Wales, of which Award with the Schedule therein comprised, the following is a Copy:—

To all men to whom these Presents shall come I John Job Rawlinson of Graythwaite in the County of Lancaster Barrister at Law, send greeting.

Whereas I have been duly appointed and sworn an Assistant Tithe Commissioner according to the provisions of the Act for the Commutation of Tithes in England and Wales and have also been duly appointed as such Assistant Commissioner to ascertain and award the Total sum to be paid by way of Rent Charge instead of the Tithes of the Hamlet of Coniston in the Parish of Burnosol and West Riding of the County of York, which Hamlet the Tithe Commissioners for England and Wales have by their Order directed to be considered as a Separate District for the Commutation of Tithes.

And whereas I have held divers meetings for that purpose in the said Parish and near to the said District of which due notice was given for the information of the Landowners and Titheowners of the said District

And whereas I have fully considered all the allegations and proofs tendered to me at the said meetings by all parties interested and have myself made all enquiries concerning the premises which appeared to me necessary.

And whereas I find that the estimated quantity in Statute measure of all the lands of the said District amounts to Five thousand and sixteen acres of which Six acres are cultivated as Arable land. Ten acres are Plantations or Brushwood
Two thousand and five hundred acres are inclosed Meadow

2
or Pasture, and Two thousand five hundred acres are uninclosed and uncultivated Moor.

And whereas I find that a modus of Thirty shillings is of right due and payable yearly at Michaelmas in equal moieties to the two Rectors for the time being of the said Parish of Burnsall instead of the Tithes of Hay arising from or accruing upon all the lands of the said District

And that throughout all the lands of the said Parish of Burnsall not otherwise covered or exempted from payment of such Tithes of which Parish the said District of Conistone forms part there is an ancient and laudable custom that every inhabitant thereof should pay at Easter in every year to such Rectors as aforesaid in equal moieties

Two Pence for every Cow kept by him within the Titheable places of the said Parish which has had a calf between Easter and Easter in that year

And one penny for every Cow kept by him within the same which has not had a Calf between Easter and Easter in that year but which has given milk during that year or some part thereof instead of the Tithes of the milk of such Cows respectively.

And that every inhabitant thereof should also pay at Easter in every year to such Rectors as aforesaid in equal moieties

One penny for every brood mare kept by him within the Titheable places of the said Parish which has had a foal between Easter and Easter in that year instead of the Tithe of Foals.

And that all the lands of the said District are subject to payment of all manner of Tithes in kind except as aforesaid

And whereas I find that the two Rectors for the time being of the two moieties of the said Parish of Burnsall are entitled in equal shares to all the Tithes of the said District

And whereas I have estimated

the clear annual value of the Tithes of the said District in the manner directed by the said Act of Parliament. —

Now Know Ye that I the said John Job Rawlinson in the exercise of all the powers vested in me as such Assistant Commissioner as aforesaid do make this my Award of and concerning the premises, that is to say: —

I award that the annual sum of Eighty two Pounds by way of Rent Charge subject to the provisions of the said Act shall be paid in equal moieties to the two Rectors for the time being of the two parishes of the said Parish of Burnosol instead of all the Tithes arising or accruing upon or in respect of all the lands of the said District. —

The foregoing Rent Charge to be in lieu not only of all Tithes payable in kind but also in lieu of all moduses compositions real and prescriptive and customary payments for Tithes payable in respect of all or any of the lands of the said Hamlet of Coniston or the produce thereof. —

In Testimony whereof I have hereunto set my hand this sixth day of December in the year One thousand eight hundred and forty eight.

(signed) J. J. Rawlinson
